## 1. INTRODUCTION

### **STATISTICS**

This document reports the details of 121 individuals, of which 58 are male and 62 are female. Of the 24 individuals with recorded birth and death dates, the average lifespan was 56.8 years. Of these, 17 males averaged 56.9 years, and 7 females averaged 56.6 years.

The longest living male was [Joseph Turner](#), who died aged 96. The longest living female was [Florence Olive Clews](#), who died aged 83.

There are 40 families reported. 23 of these families are reported as having children, with an average of 3.9 children per family.

### **THE NARRATIVE SECTIONS**

The "Direct Relations" section reports the details of individuals who have a direct family connection to [Richard Turner](#). The section is broken into sub-sections for each generation, within which the individuals are listed in order of closeness of relationship. The sequence numbers are used throughout the document to cross-reference back to the detailed entry of an individual.

With a narrative section, each generation is shown as a separate subsection, within which the individuals are listed in order of the closeness of their relationship to [Richard Turner](#).

### **FAMILY TREES SECTION**

Each family tree shows the reported children, parents, grandparents and great-grandparents of a family group. In order to reduce redundancy, any family group which is wholly included within another family tree may not be reported separately.

Above each of the great-grandparent boxes (top row), a continuation family tree reference number is shown if the great-grandparent is recorded as a child in the continuation tree. A continuation reference number is also shown to the left of a grandparent or parent box if that individual has siblings reported in the continuation tree; and beneath a child box (bottom row) if that individual has children reported in the continuation tree.

In cases of multiple marriages, a continuation reference number preceded by "=" is shown to the right of a parent box. This number references the previous and/or next tree in which that individual is shown with another partner.
